Dear Rev.Graham Lucas in Christ,

Loving greetings in Jesus name. Hope you are doing great brother. We are continuously praying for you and the ministry you are doing. We always remember you and the wonderful ministry you have done in India. Its an honour for us to have you in India. Through your ministry more than 500 pastors were blessed in the pastors training programmes. And with the large evangelistic crusades that we have done since 2002 more than 200,000 people were saved and many people were healed. I still remember the women that was healed from HIV who was healed in the Kavali Crusade. She is doing Gods work now. And I thank God for using you as his voice and touching many lives. You are a blessing to India and all the pastors and churches are waiting for your next missions trip to India.

We all love you and are continuously praying for you and anxiously waiting for your visit to India.
