To Whom It May Concern:

This is to certify that Rev. Graham Lucas has been a ministry partner for several years now. He has been a blessing to our country particularly in the island of Mindanao.

He has conducted crusades in big cities and even in small towns, he ministered to public school and in addition he visited dozen of churches under my care as well as network churches.

Truly and indeed he has been a blessing and looking forward of working with him for the expansion of God's kingdom in my country.

Yours truly,

Bishop Eduardo "eddie" Deita

National Presbyter/Vice President
